

CONTRACTS LIST

CONTRACTS LIST

Year	Client	Project Description	Dollars
2017	Lochard Energy	Plan and manage shutdown using proprietary Dialog Intelligent Planning System (DIPS) program at Port Campbell underground gas storage facility, VIC, Australia	AUD 250,000
2016-2017	AGL Macquarie	To design, fabricate, supply, install and commission 60 tonne feedwater heater, Bayswater power station, NSW, Australia	AUD 1,200,000
2016	CPB Contractors	Managing the logistics and the erection of 6000 tonnes of structural steel for the new Christchurch Hospital Acute Services Building, Canterbury, New Zealand	11,000,000
2016	Downer Soletanche Bachy JV	Supply, fabrication, coatings and erection (200 tonnes) of the Auckland City Rail Link Britomart Station enabling works, inclusive of the metalwork scope including new stairs, stainless steel handrails and associated infills.	1,250,000
2016	Caltex Australia Refinery	Ongoing onsite planning and coordination of the relevant subcontractors for the fabrication and installation of structural steel, pipe spooling and pump skids across all areas of the Caltex Lytton Refinery, QLD, Australia	AUD 1,500,000
2016	Todd Energy NZ	Design, fabricate and supply 40m ³ , 60mm wall thickness inlet separator vessel for Mangehewa gas plant, Taranaki, New Zealand	1,000,000
2016	Oil Search PNG Limited	Provision of specialist I&E technicians for Oil Search Kutubu Highlands asset, Kutubu, PNG	600,000
2016	Dialog Services	To supply mechanical support services during site catalyst change outs on various gas plants throughout Australia for clients including Santos, Origin Energy and Lochard Energy.	AUD500,000
2016	Todd Energy NZ	Supply of down hole , work over and coil tubing service tools on rental through services support agreement with Hunting Tools to Todd Energy, Taranaki, New Zealand	3,500,000
2016	Ballance AgriNutrients	Shut down labour, replacement heat exchangers bundles, urea piping and reformer overlay repairs to ammonia urea facility Taranaki, New Zealand	\$1,800,000
2016	Modec Management Services	Ongoing multi-disciplined maintenance and campaign work offshore plus workshop fabrication for Raroa FPSO, Taranaki, New Zealand	2,500,000
2016	Refining NZ	Design, fabricate and supply of various replacement shell & tube bundles through ongoing supply agreement with Refining NZ, Whangarei, New Zealand	4,000,000 per annum
2016	Hawkins	Fabricate, paint and install 1100 tonnes of structural steel for seven buildings part of the PPP2 schools programme, Aranui, New Zealand	8,200,000
2016	Naylor Love	Supply, fabricate, paint, and install 100 tonnes of structural steel for a two story retail and apartment building, Victoria Street, Wellington, New Zealand	1,000,000
2016	Fletcher Construction	Supply, fabricate, paint and install 500 tonnes of structural steel for the high security National Biocontainment Laboratory, Upper Hutt, New Zealand	1,600,000

CONTRACTS LIST

2016	Vector NZ	Ongoing provision of scaffolding, rigging, mechanical, painting and small projects onsite at the Vector Kapuni gas plant, Taranaki, New Zealand	1,000,000
2016	Contact Energy	Manage planning and scheduling and project manage execution and provide some resources for plant shut using proprietary Dialog Intelligent Planning System (DIPS) program at Stratford peaker power station Taranaki, New Zealand	1,000,000
2016	Taranaki By Products	Onsite mechanical maintenance and scaffolding and mechanical services South Taranaki By Products facility, Taranaki, New Zealand	500,000
2016	CPB Contractors	Ongoing workshop spooling fabrication and painting for APLNG CSG upstream wellhead gathering sites throughout the Surat Basin, QLD, Australia	AUD 1,100,000
2016	Ballance AgriNutrients	Shutdown activities including supply of project management and labour to undertake heat exchanger inspections and specialist welding of urea grade stainless in the reactor column, Taranaki, New Zealand	3,000,000
2016-2017	Transpower NZ	High voltage transmission tower blasting and painting and steel replacement on live network throughout the lower North Island and upper South Island, New Zealand	6,000,000 per annum
2016	Imdoco	Procure materials, fabricate, paint and assist with the commissioning of a 250 tonne off shore mooring buoy required for BlueScope's Taharoa offshore iron sands mining, Taharoa, New Zealand	3,000,000
2014-2018	Viva Energy Australia (formerly Shell Australia)	Integrated services contractor providing the planning, scheduling and delivering the maintenance plan for the successful operation of the bitumen & fuels terminal, Brisbane, QLD, Australia	AUD 4,000,000 per annum
2014-2016	Shell Australia Lubricants Production	Integrated services contractor providing the planning, scheduling and delivering the maintenance plan for the successful operation of the lubricants plant, Brisbane, QLD, Australia	AUD 2,000,000 per annum
1997-2016	Worley Parsons Ltd	On-going life of the field multi-disciplined services contractor for both the onshore and offshore production facilities in Taranaki, New Zealand operated by Shell Todd Oil Services, Taranaki, New Zealand	20,000,000 per annum
2015	CPB Contractors	Ongoing workshop spooling fabrication and painting for APLNG CSG upstream wellhead gathering sites throughout the Surat Basin, QLD, Australia	AUD 500,000
2013-2015	Transpower NZ	High voltage transmission tower blasting and painting and steel replacement on live network throughout the lower North Island, New Zealand	4,000,000 per annum
2015	WorleyParsons	Planning support and execution of a multi-disciplined 100 day refurbishment campaign on Shell Todd Services Pohokura B offshore platform. Scope included design and fabrication of a rig integration access stairway, in-situ weld overlay of the main gas riser and scaffolding and blasting and painting, Taranaki, New Zealand	5,000,000

CONTRACTS LIST

2015	Caltex Australia Refinery	Ongoing onsite planning and coordination of the relevant subcontractors for the fabrication and installation of structural steel, pipe spooling and pump skids across all areas of the Caltex Lytton Refinery, QLD, Australia	AUD 2,000,000
2015	Oil Search PNG Limited	Ongoing provision of specialist I&E technicians for Oil Search Kutubu Highlands asset, Kutubu, PNG	1,200,000
2015	New Plymouth District Council	Seismic and wind strengthening of TSB and Yarrows stadiums which included reroofing of both facilities, Taranaki, New Zealand	3,000,000
2015	Modec Management Services	Multi-disciplined maintenance and campaign work offshore plus workshop fabrication Raroa FPSO, Taranaki, New Zealand	2,500,000
2012-2015	Refining NZ	Design and supply of various replacement shell & tube bundles through ongoing supply agreement with Refining NZ, Whangarei, New Zealand	4,000,000 per annum
2015	Methanex NZ	Refurbishment of methanol tank includes demolition and installation of access ladder, foam risers, tank repairs, containment scaffolding, blasting and painting Omata tank farm, Taranaki, New Zealand	1,700,000
2015	Todd Energy NZ	Supply of down hole , work over and coil tubing service tools on rental through services support agreement with Hunting Tools to Todd Energy, Taranaki, New Zealand	2,200,000
2015	Todd Energy NZ	Rig and well site services support including rigging and scaffolding at Mangehewa D site, Taranaki, New Zealand	800,000
2015	Fonterra	Design support and erection of scaffolding system to encapsulate Powder 5 building at Fonterra, included the installation of an electric access lift and demolition of the stair towers, Taranaki, New Zealand	3,500,000
2012-2015	Remodis Australia	Ongoing maintenance of waste collect and transfer facilities throughout south east Queensland, Australia	AUD 300,000 per annum
2015	Todd Energy NZ	Plan, manage and execute Mangehewa gas plant shut using Dialog Intelligent Planning System (DIPS) program Taranaki, New Zealand	3,500,000
2015	Coogee Chemicals Australia	Fabrication and installation of structural, mechanical and piping of plant expansion of the chlor-alkali plant, Lytton, QLD, Australia	AUD 4,000,000
2015	Champalars Holdings	Fabrication of 16 person underwater restaurant measuring 18m long x 5m wide x 4m high, includes fit-out, painting and delivery to site and lifting onto piles, Maldives	3,000,000
2015	M-I Swaco	Installation of 34 storage tanks ranging in size from 70k to 250k litre, structural, mechanical and piping for the blending and storage of drilling fluids in Broome WA, Australia.	AUD 3,000,000
2015	Leighs Construction	Workshop drawings, fabrication, paint and erection of 1300 tonne of steel Cashel Street commercial building Christchurch, New Zealand	8,000,000

CONTRACTS LIST

2015	Fonterra NZ	Engineered scaffolding for 55m high x 40 wide walled building to provide full encapsulation so building repairs can under taken. Taranaki, New Zealand	1,200,000
2015	Origin Energy NZ	Design and fabrication of two tube bundle replacements for Kupe gas production station, Taranaki, New Zealand	500,000
2015	Methanex NZ	To provide scaffolding and mechanical services at Waitara Valley and planning support for Motunui, Taranaki, New Zealand	500,000
2014-2015	BlueScope NZ Steel	Supply project management and labour in an alliance with IMG for project ATOM and enabling works billet line, Auckland, New Zealand	4,500,000
2014-2015	Z Energy NZ	Full EPC contract, design, procure and construct of New Zealand's first tallow to bio-diesel plant, Wiri, Auckland, New Zealand	20,000,000
2014-2015	ENSCO	Supply and fabrication of plant and various services for campaign packages of work on Ensco 107 Rig, offshore Taranaki, New Zealand	1,200,000
2013-2016	Vector NZ	Onsite ongoing scaffolding, rigging and painting at the Vector Kapuni gas plant, Taranaki, New Zealand	1,500,000 per annum
2014	Puma Refinery-PNG	Plan, manage and execute refinery turnaround for Puma using Dialog Intelligent Planning System (DIPS) program. Shut involved 200 men for five weeks. Puma Refinery Port Moresby, PNG	2,000,000
2014	Caltex Australia Refinery	Fabrication of structural/piping and installation of structural, mechanical & piping for the gasoline blending upgrade project at the Lytton Refinery, QLD, Australia	AUD 1,500,000
2014	Refining NZ	To design, fabricate, pre-fit the structural steel access ways, ladders and platforms for 19 pressure vessels Refining NZ Whangarei, New Zealand	1,600,000
2014	Transpacific Waste Australia	Installation of 4 storage tanks, structural, mechanical and HPDE piping for the upgrade of the WTP facility at Narangba, QLD, Australia	AUD 500,000
2014	OMV	To fabricate structural steel and pipework install and commission helideck firefighting system Maari, Taranaki, New Zealand	1,000,000
2014	Boral Asphalt Australia	Design, fabricate, install and commission aggregate drier drum. Rockhampton, QLD, Australia	AUD 250,000
2014	Shell Australia	Principal contractor for all disciplines involved in the export conversion project for the bitumen facility, Brisbane, QLD, Australia	AUD 3,500,000
2014	ITL/TAG Oil	Procure materials, fabricate, inspect and test separator skid. Vessels to PD5500, piping ASME B31.3 and structure AS/NZS 1554.1, Taranaki, NZ	300,000
2014	JJ Richards & Sons	Design and install a waste oil transfer facility includes 3 x 65k litre vertical tanks, filters, pumps and associated piping, Townsville, QLD, Australia	AUD 1,100,000

CONTRACTS LIST

2014	Fletcher Construction NZ	Seismic strengthening of Reading car park involving procurement, fabrication and installation of steel work on car ramps and underside of concrete floors, Wellington, New Zealand	700,000
2014	Ballance Agri-Nutrients	Full EPC for Go Clear production tank expansion at Kapuni ammonia urea facility, Taranaki, New Zealand	1,600,000
2012-2014	Northern Oil Refinery	Design, fabricate, supply of 35 shop tanks, built in Malaysia, piping, structural steel, fabricated in Brisbane and site installation of tanks, piping racks, and process module, Gladstone, QLD, Australia	AUD 12,000,000
2012-2014	Northern Oil Refinery	Design, supply, build and installation of oil recycling processing module, included vessels, columns, heat exchangers, then ship to Gladstone, QLD, Australia	15,000,000
2014	Fletcher Construction NZ	Seismic strengthening of Taranaki Base Hospital link structure and building upgrade. Taranaki, New Zealand	650,000
2013	OMV	As part of the project management team to shop fabricate shutdown modules, flow lines and install, hook-up and commission for new well on Maari wellhead platform, Taranaki, New Zealand	11,500,000
2013	Modec Management Services	Carried out replacement of turret swivel on Raroa FPSO off station moored in Port Nelson, New Zealand	3,500,000
2013	Methanex NZ	Distillation 3 and Distillation 4 methanol refineries turnaround and mechanical plant change request, Taranaki, New Zealand.	4,900,000
2013	Modec Management Services	Multi-disciplined offshore maintenance and campaign work on plus workshop fabrication Raroa FPSO, Taranaki, New Zealand	6,000,000
2013	Methanex NZ	Multi-disciplined contract for the restart of Waitara methanol plant after being mothballed for four years, Taranaki, New Zealand	15,000,000
2013	Methanex NZ	To manufacture and carry out repairs on various tube bundles for Methanex turnaround, Taranaki, New Zealand	1,000,000
2013	Ballance AgriNutrients	Shop fabrication of heater and site installation of primary reformer convection section coil Ballance ammonia plant Taranaki, New Zealand	2,000,000
2013	Ballance AgriNutrients	Replacement tube bundles and exchangers for the 2013 turn around, Taranaki, New Zealand	600,000
2013	ITL/AWE	Shop fabricate tank, structures and piping and install the equipment offshore for boiler fuel conversation on AWE Umuroa FPSO, Taranaki, New Zealand	4,500,000
2013	OMV	To fabricate walkways and structural steel and the site installation of a free fall lifeboat on Maari wellhead platform, Taranaki, New Zealand	1,800,000

CONTRACTS LIST

2013	Shell Australia	Principal contractor for the remediation of four LPG bullets at the Shell terminal, Brisbane, QLD, Australia	AUD 600,000
2013	BW Offshore (Prosafe)	Offshore multi-discipline campaign work and onshore fabrications for the Umuroa FPSO, Taranaki, New Zealand	1,000,000
2013	CSBP	Design, supply and fabricate in 304 stainless steel tail gas heater to AS1210 class 2A, Kwinana Refinery, WA, Australia	350,000
2013	JJ Richards & Sons	Design, supply, fabricate and install a waste oil transfer facility includes 7 x 65k litre vertical tanks, filters, pumps and associated piping, Mackay, QLD, Australia	AUD 1,400,000
2013	JJ Richards & Sons	Design, supply, fabricate and install waste oil separation facility includes 2 x 60k, 3 x 65k and 3 x 90k litre tanks with piping, pumps and filters, Brisbane, QLD, Australia	AUD 1,500,000
2013	Refining NZ	Design and supply various shell & tube bundles through our supply agreement with Refining New Zealand, Whangarei, New Zealand	1,000,000
2013	Refining NZ	Design, supply and fabrication of two duplex tube bundles to ASME8 Div2, for Refining New Zealand, Whangarei, New Zealand	150,000
2013	Refining NZ	Design, supply and fabricate 19 carbon steel pressure vessels to ASME8 Div1. 14 fabricated by parent company Dialog, Malaysia, under Fitzroy Engineering management. Refining New Zealand Growth Project, Whangarei, New Zealand	3,500,000
2013	Contact Energy	Providing down hole drilling tool rental, casing prep , oil field machining, shoe track make up field services and rig support at our Taupo Drilling Service Centre, New Zealand	1,200,000
